Aspera INSURANCE SERVICES

HOSPITAL PROFESSIONAL LIABILITY

Aspera accesses Hospital Professional Liability insurance solutions for hospitals and medical operations. Coverage options include Professional Liability, General Liability, and Excess.

Hospital Professional Liability addresses the unique operational and capacity needs of small to midsize hospital accounts that are hard-to-place, distressed, or seeking excess opportunities. Utilizing flexible underwriting practices and best-in-class service, we review each account individually to ensure that your accounts receive the tailored solutions they need to thrive.
