Aspera INSURANCE SERVICES

GROUND OPERATIONS

Aspera accesses a wide array of Ground Operations solutions, including Hangarkeepers', Grounding coverage, General Liability, and Products Liability.

We can consider your aviation-only risks, as well as manufacturers and contractors with partial aviation exposures or UAS/drone exposures. We can consider these risks on a primary, quota share, or excess basis.

TARGET CLASSES

- Aircraft cleaning & painting
- Aircraft maintenance & repair facilities
- Aircraft, rotorcraft, & spacecraft parts manufacturers
- Airport-adjacent services
- Airports & airstrips
- Exhibitions & museums
- Fuel suppliers
- Hangar owners/operators
- On-apron services (aircraft catering, de-icing, pushback, water/sanitation services, etc.)
- Runway & helipad contractors
- UAS/drone manufacturers , including drone repair

POLICY STRUCTURE

- General Liability, Products/Completed Operations Liability, Hangarkeepers Liability, & Grounding Liability
- Up to $10M in total capacity on a primary, excess, or quota share basis

SUBMISSION REQUIREMENTS

- Signed & dated Airport, Aviation General Liability, or Aviation Products Manufacturing/Distribution supplemental application
- Five-year currently-valued company loss runs
- Copies of the following:
  - Any FAA certificates held by insured
  - Any FAA or NTSB reports involving insured's operations
- Website information, brochure, or product catalog as appropriate to insured's operations

AVAILABLE COVERAGE ENHANCEMENTS

- On-airport-premises auto coverage & hired/non-owned coverage
- Coverage territory expansion endorsement for outer space
- Specific Additional Insured & Waiver of Subrogation endorsements available naming airports, manufacturers, & other common contractually-required entities in the aviation industry
