Aspera® INSURANCE SERVICES

ENERGY

Aspera offers both Primary Commercial General Liability along with Pollution and Professional Liability offerings for your small to midsize Energy risks. We can customize coverage to your insured's unique needs and provide additional specialized products, including Control of Well and Property coverages. Our underwriting focus is on oil & gas (onshore/offshore), alternative energy, mining, and power exposures.

TARGET CLASSES

OIL & GAS (ONSHORE/OFFSHORE)

- Oil & gas service contractors, including over-the-hole contractors such as acidizers, cementing, drillers, fracking contractors, lease work, & well servicing
- Manufacturers, dealers, & distributors, including products that go downhole or offshore
